SUMMARY

I am dedicated and ambitious pharmacy graduate currently pursuing an MBA in Hospital, Healthcare, and Pharmaceutical Management, aiming to build a successful career at the intersection of clinical knowledge and healthcare administration.

EDUCATION

MBA (Hospital & Health care management & Pharmaceutical management)

Nims university, Rajasthan,
Jaipur | 2024-2026

B.Pharmacy

Centurion University of Technology and Management,
Balangir , Odisha | 2020-2024

PROFESSIONAL EXPERIENCE

Nims Hospital, Jaipur, Rajasthan | Administration Trainee | 05/01/2026-01/04/2026

- Actively participated in the National Accreditation Board for Hospitals & Healthcare Providers (NABH) inspection process, gaining hands-on exposure to hospital quality standards and compliance protocols.
- Acquired knowledge of LASA (Look-Alike Sound-Alike) medications and their safe handling practices.
- Developed understanding of pharmaceutical supply chain management, including:
 - Cold chain maintenance
 - Inventory control methods: LIFO (Last in First Out) and FEFO (First Expiry First Out)

BST (Balvir Singh Tomar Institute of Medical Science, Research & Hospital) Achrol, Jaipur, Rajasthan | Management Trainee | 27/05/2025-10/07/2025

Assist in day-to-day hospital operations. Managed IPD by coordinating with doctors and supporting staff. Conducted floor surveys and resolved ward-related issues. Ensured smooth functioning of departments (OPD, IPD, EMERGENCY)

District Headquarter Hospital, Balangir, Odisha | Medical Trainee | 01/05/2022-30/06/2022

Successfully completed medical training program, gaining hands. Assisted in drug dispensing and medication handling. Participated in patient counselling regarding prescription use and dosage and patient safety.
